Section III. Generator Certification:

I hereby certify, based upon my diligent inquiry into the activities, materials, and processes generating the materials described on this form:

1. That these materials are not classified as listed or characteristic hazardous waste governed by the Commonwealth of Virginia or the state of origin of this waste;
2. That the materials are not regulated medical waste governed by the Virginia Regulated Medical Waste Management Regulations (VR 672-40-01);
3. That the materials do not contain 50.0 parts per million or more of polychlorinated biphenyls (PCB's);
4. That the materials do not contain more than 1.0 part per billion of dioxins;
5. That the material is not a radioactive waste or possess the property of radioactivity;
6. That the materials are not prohibited or restricted from disposal in a Virginia solid waste management facility; and
7. That the analytical results, completed application and attached documentation submitted in support of this special waste disposal request are a representative, true, and accurate description of these materials.
